

**The 14th Annual Otolaryngology –
Head & Neck Surgery Update 2016**

**The OMA Annual Otolaryngology –
Head & Neck Surgery Section Meeting**

Alumni & Friends Dinner University of Toronto

Saturday, February 6, 2016

***Li Ka Shing Knowledge Institute
Main Auditorium, St. Michael's Hospital***

Course Description

This course is designed for the practicing otolaryngologist who wishes to enhance his or her knowledge on various topics spanning the different subspecialties of Otolaryngology-Head & Neck Surgery. The material will be presented via didactic lectures followed by audience participation in question and answer sessions along with panel discussions on management of interesting cases. iClickers will be used throughout each session to enhance audience participation. Please join us for a celebratory dinner afterwards.

Course Objectives

After active participation in this update meeting, participants will be able to:

- Describe how the competency based framework will impact post graduate training
- Discuss the most current diagnosis and management issues in the management of hyperparathyroidism
- Select appropriate topical therapies for the management of chronic rhinosinusitis
- Assess the hoarse patient and provide a differential diagnosis
- Determine the appropriate reconstructive option for different facial defects
- Discuss up to date management strategies in laryngeal reinnervation

Accreditation

Continuing Professional Development (CPD), Faculty of Medicine, University of Toronto, is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME), a subcommittee of the Committee on Accreditation of Canadian Medical Schools (CACMS). This standard allows CPD to assign credits for educational activities based on the criteria established by The College of Family Physicians of Canada, and the Royal College of Physicians and Surgeons of Canada. As a result of a reciprocal agreement between the Royal College of Physicians and Surgeons of Canada, The American Medical Association, and The European Union for Medical Specialists, CPD is permitted to assign respective credits.
