

The 15th Annual Otolaryngology Update 2017
OMA Annual Otolaryngology – Head & Neck Surgery Section Meeting

Saturday, February 4, 2017

SickKids Peter Gilgan Centre for Research & Learning
Main Auditorium, 686 Bay St, Toronto (Corner of Bay & Elm)

Alumni & Friends Dinner

Department of Otolaryngology – Head & Neck Surgery
Friday, February 3, 2017

Music Room, Hart House, University of Toronto
Cocktails: 6:00 pm Dinner: 7:00 pm

Course Description

This course is designed for the practicing otolaryngologist who wishes to enhance his or her knowledge of various topics spanning the different subspecialties of Otolaryngology-Head & Neck Surgery. The material will be presented via didactic lectures followed by audience participation in question and answer sessions along with panel discussions on management of interesting cases. iClickers will be used throughout each session to enhance audience participation.

Please join us the evening before OtoUpdate to catch up with friends and colleagues at our ***Alumni & Friends Dinner*** on **Friday February 3, 2017** at the University of Toronto's Hart House. We will be honouring the resident class of 1991. All alumni, faculty, residents, fellows, colleagues, spouses and significant others are most welcome to attend.

Course Objectives

After active participation in this update meeting, participants will be able to:

- Discuss the management of a child with enlarged lymph nodes
- Describe the algorithm for the surgical treatment of a crooked nose and illustrate the approach to a difficult nasal septum
- Communicate the up to date knowledge on HPV to their patients
- Understand their maintenance of certification credits
- Assess a patient using the ATA 2015 guidelines on thyroid nodule management
- Discuss the details of expert evidence and report writing
- Consider the pros and cons of incorporation

Accreditation

Continuing Professional Development (CPD), Faculty of Medicine, University of Toronto, is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME), a subcommittee of the Committee on Accreditation of Canadian Medical Schools (CACMS). This standard allows CPD to assign credits for educational activities based on the criteria established by The College of Family Physicians of Canada, and the Royal College of Physicians and Surgeons of Canada.

As a result of a reciprocal agreement between the Royal College of Physicians and Surgeons of Canada, The American Medical Association, and The European Union for Medical Specialists, CPD is permitted to assign respective credits.
