

What's New in Office-Based Procedures in Otolaryngology

September 23, 2017

Princess Margaret Hospital Auditorium

Toronto

Course Description

This course is designed for the practicing otolaryngology who wishes to enhance his or her knowledge of in-office procedures currently available in our specialty. There will be a hands-on portion of this course where participants will have time to try the different technologies in a simulation setting.

Course Directors

Dr. Yvonne Chan

CPD Director, Assistant Professor, University of Toronto

Dr. Brian Rotenberg

Residency Program Director, Associate Professor, Western University

Course Objectives

After active participation in this update meeting, participants will be able to:

- Describe how to perform a fat graft myringoplasty
- Discuss the use of coblation in inferior turbinate reduction and OSA treatments
- Assess a patient for transnasal laryngeal biopsy in the office
- Consider the logistics of setting office-based procedures

Faculty

Dr. Taryn Davids, Lecturer, University of Toronto

Dr. Trung Le, Assistant professor, University of Toronto

Dr. Shaun Kilty, Assistant professor, University of Ottawa

Dr. Brian Rotenberg, Associate professor, Western University

11:10 am	Q & A
11:20 am	Transnasal Laryngeal Biopsy: Dr. Taryn Davids
11:40 am	Q & A
11:50 am	Hands-on Demonstration of Coblation, Polypvac, Photodynamic Therapy and Transnasal Laryngeal Biopsy

NEW

Course Planning Committee

Dr. Yvonne Chan, Assistant Professor, University of Toronto
Dr. Brian Rotenberg, Associate Professor, Western University
Dr. Vince Lin, Associate Professor, University of Toronto
Dr. Andrew Ma, Resident, University of Toronto

Accreditation

Continuing Professional Development (CPD), Faculty of Medicine, University of Toronto, is fully accredited by the Committee on Accreditation of Continuing Medical Education (CACME), a subcommittee of the Committee on Accreditation of Canadian Medical Schools (CACMS). This standard allows CPD to assign credits for educational activities based on the criteria established by The College of Family Physicians of Canada, and the Royal College of Physicians and Surgeons of Canada.

As a result of a reciprocal agreement between the Royal College of Physicians and Surgeons of Canada, The American Medical Association, and The European Union for Medical Specialists, CPD is permitted to assign respective credits.

Registration and Payment

The online link for registration is:

<https://facmed.registration.med.utoronto.ca/portal/events/reg/participantTypeSelection.do?method=load&entityId=746624>
